CLASS ACTION

~~[Proposed]~~ FINAL ORDER AND  
JUDGMENT

AND CONSOLIDATED ACTIONS

WHEREAS, Plaintiffs and Class Representatives Angel Omar Alvarez, Alberto Rivera, Fernando Ramirez, Juan Romero, Jose Paz, Jairo Moreno Martinez, Jesus Carreon, Rodolpho Moreno, and Edgar Mendoza (collectively, “Plaintiffs”), on behalf of themselves and the Class, and Defendants XPO Logistics Cartage, LLC, XPO Cartage, Inc., XPO Logistics, Inc., XPO Logistics, LLC, XPO Intermodal Solutions, Inc., and XPO Intermodal Services, LLC (collectively, “Defendants”), by and through their respective

1 duly-authorized counsel, entered into a Class Action Settlement Agreement (hereafter, the  
2 “Settlement”) in the above-captioned litigation (hereafter, the “Action”), filed on February  
3 26, 2018;

4 WHEREAS, pursuant to the Order Granting Preliminary Approval of Class Action  
5 Settlement, Approving Form and Manner of Notice, and Setting Date for Fairness Hearing,  
6 entered on October 8, 2021 (the “Preliminary Approval Order”), the Court scheduled a  
7 hearing for December 18, 2021 at 9:00 a.m. (the “Fairness Hearing”) to, among other  
8 things: (i) determine whether the proposed settlement of the Action on the terms and  
9 conditions provided in the Settlement is fair, reasonable and adequate, and should be  
10 approved by the Court, and (ii) determine whether a judgment as provided for in the  
11 Settlement should be entered;

12 WHEREAS, the Court ordered that the Notice of Proposed Class Action Settlement,  
13 substantially in the form attached as Exhibit 3 to the Settlement, be mailed by first-class  
14 mail, postage prepaid, within 15 days after the date of entry of the Preliminary Approval  
15 Order (“Notice Date”) to all Class Members identified through reasonable effort;

16 WHEREAS, the Notice of Proposed Class Action Settlement advised Class  
17 Members of the date, time, place and purpose of the Fairness Hearing, and further advised  
18 that any objection to the Settlement was required to be filed with the Court, and served on  
19 the Settlement Administrator, CPT Group, on or before December 6, 2021;

20 WHEREAS, the provisions of the Preliminary Approval Order as to notice of the  
21 settlement were fully complied with, and notice to the Class was given in the manner  
22 required by the Court;

23 WHEREAS, on December 13, 2021, Plaintiffs moved for Final Approval of the  
24 Settlement, as set forth in the Preliminary Approval Order;

25 WHEREAS, the Fairness Hearing was duly held before this Court on January 10,  
26 2022 at which time all interested persons were afforded the opportunity to be heard;

27 WHEREAS, the Plaintiffs’ Motion for Final Approval of the Settlement includes a  
28 request for final approval of the settlement of claims under the California Labor Code

1 Private Attorney General Act (“PAGA”), as required by California Labor Code section  
2 2699, subdivision (l), for the civil penalties sought as part of the Settlement;

3 WHEREAS, this Court has duly considered the Plaintiffs’ Motion, all papers and  
4 evidence submitted in connection therewith, the Settlement, and all of the submissions and  
5 arguments presented at the Fairness Hearing with respect to the proposed Settlement;

6 NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED  
7 as follows:

8 1. This Final Order and Judgment (“Judgment”) incorporates by reference the  
9 definitions in the Settlement, and all capitalized terms used in this Judgment that are not  
10 otherwise defined shall have the same meanings as those set forth in the Settlement.

11 2. This Court has jurisdiction over the subject matter of the Action, and over all  
12 parties and all those found by the Court to be members of the Class, which means the class  
13 certified by the Court’s Order of September 16, 2020, excluding (except for purposes of  
14 the PAGA claim) those individuals who previously, timely, and validly opted out, which  
15 included Michael Tesfamariam Yebio, Ignacio Lopez, Noe Campos, Firas Qanbar, Alvaro  
16 Baez Duarte, Armando Henriquez, Luis Humberto Montalvo, Mariano A. Saravia, and  
17 Osman Rafael Garcia, as well as those who settled their claims prior to the said  
18 certification order. A list of the members of the Class is attached hereto as Exhibit A.  
19 Notwithstanding the foregoing, the Court does retain jurisdiction over the opt outs for the  
20 limited purposes of the settlement of the PAGA claim.

21 3. The notification provided for and given to the Class: (i) was provided and  
22 made in full compliance with the Court’s Preliminary Approval Order; (ii) constituted the  
23 best notice practicable under the circumstances; (iii) constituted notice that was reasonably  
24 calculated to apprise the Class of the terms of the Settlement, of the proposed plan of  
25 allocation, of Class Counsel’s application for an award of attorneys’ fees and litigation  
26 expenses incurred in connection with this Action, of Class Counsel’s application for  
27 Service Awards to Plaintiffs and certain active class members, and of the right of Class  
28 Members to appear at the Fairness Hearing; (iv) constituted due, adequate, and sufficient

1 notice to all persons entitled to receive notice of the proposed Settlement; and (v) fully  
2 satisfied the notice requirements of Rule 23 of the Federal Rules of Civil Procedure, the  
3 United States Constitution (including the Due Process Clause of the Fifth Amendment to  
4 the Constitution), and all other applicable law and rules.

5 4. In light of the substantial benefits provided to the Class by the Settlement, the  
6 complexity, expense and possible duration of further litigation of the Action, including  
7 any possible appeals, the risks of establishing liability and damages, and the costs of  
8 continued litigation, the Court hereby fully and finally approves the settlement as set forth  
9 in the parties' Class Action Settlement Agreement in all respects, including, without  
10 limitation, the PAGA penalties sought therein, and finds that the Settlement is, in all  
11 respects, fair, reasonable and adequate, and in the best interests of the Plaintiffs, the Class,  
12 and the Class Members.

13 5. This Court further finds that the Settlement is the result of arms-length  
14 negotiations conducted under the supervision of a neutral mediator by highly experienced  
15 counsel representing the interests of their respective parties.

16 6. Plaintiffs and Defendants (collectively, the "Settling Parties") are hereby  
17 ordered to consummate the Settlement in accordance with the terms and provisions  
18 therein, except with respect to the attorneys' fees, costs, and incentive payments, on which  
19 the Court separately ruled on February 8, 2022. In accordance with the Court's February  
20 8, 2022 order, the Court has approved attorneys' fees to class counsel in the amount of  
21 \$6,666,660, with 90 percent of the award allocated to counsel for the *Alvarez* and *Martinez*  
22 Plaintiffs to be divided per their agreement and the remaining 10 percent of the award  
23 allocated to counsel for the *Mendoza* Plaintiff. Also in accordance with the Court's  
24 February 8, 2022 order, the Court has approved an award of litigation costs in the amount  
25 of \$386,225.67 to the *Alvarez* counsel and \$14,800.16 to the *Martinez* counsel, and the  
26 Court has approved incentive payments in the amount of \$15,000 to each *Alvarez* Plaintiff,  
27 \$10,000 to each *Martinez* Plaintiff and *Mendoza*, and \$2,000 to each Active Class  
28 Member.

1       7.     The settlement of the PAGA claims released in the Settlement is approved on  
2 behalf of the “aggrieved employees,” as that term is used in California Labor Code section  
3 2698, et seq.   Settlement of the PAGA claims is binding on the parties, aggrieved  
4 employees, and the California Labor and Workforce Development Agency, including all  
5 members of the Class as well as those that opted out..

6       8.     The operative Fourth Amended Complaint in this Action, filed on December  
7 13, 2019, is hereby dismissed in its entirety, with prejudice, and without costs to any party,  
8 except as otherwise provided in the Settlement.

9       9.     The Court further finds that during the course of the Action, the Settling  
10 Parties and their respective counsel at all times complied with the requirements of Rule 11  
11 of the Federal Rules of Civil Procedure.

12      10.   Upon the Effective Date of the Settlement, Plaintiffs and all other Class  
13 Members, on behalf of themselves and each of their respective heirs, executors, trustees,  
14 administrators, predecessors, successors, and assigns, shall be deemed to have fully,  
15 finally and forever waived, released, discharged, and dismissed each and every one of the  
16 Released Claims as against each and every one of the Releasees, and shall forever be  
17 barred, enjoined and restrained from commencing, instituting, prosecuting or maintaining  
18 any and all of the Released Claims against any and all of the Releasees.

19      11.   Each Class Member is bound by this Judgment, including, without limitation,  
20 the release of claims set forth above. The persons listed in Exhibit 2 to the Settlement  
21 have validly and timely requested exclusion from the Class, such that those persons are  
22 excluded from the Class and are not Class Members but remain bound by the Settlement  
23 with respect to the resolution of the PAGA claim.

24      12.   This Judgment and the Settlement, whether or not consummated, and any  
25 discussions, negotiations, proceedings or agreements relating to the Settlement, and any  
26 matters arising in connection with settlement discussions or negotiations, proceedings, or  
27 agreements, shall not be offered or received against or to the prejudice of the settling  
28 parties, or their respective counsel, for any purpose other than in an action to enforce the

1 terms hereof, and in particular:

2 a. do not constitute, and shall not be offered or received against or to the  
3 prejudice of Defendants as evidence of, or construed as, or deemed to be evidence of any  
4 presumption, concessions, or admissions by Defendants with respect to the truth of any  
5 allegation by Plaintiffs and the Class, or the validity of any claim that has been or could  
6 have been asserted in the Action or in any litigation, including, but not limited to, the  
7 Released Claims, or of any liability, damages, negligence, fault or wrongdoing of  
8 Defendants or any person whatsoever;

9 b. do not constitute, and shall not be offered or received against or to the  
10 prejudice of Defendants as evidence of a presumption, concession, or admission of any  
11 fault, misrepresentation, or omission with respect to any statement or written document  
12 approved or made by the Defendants, or against or to the prejudice of Plaintiffs or any  
13 other Class Member(s) as evidence of any infirmity in the claims of Plaintiffs or the other  
14 Members of the Class;

15 c. do not constitute, and shall not be offered or received against or to the  
16 prejudice of Defendants, the Named Plaintiffs, and any other Class Member(s), or their  
17 respective counsel, as evidence of a presumption, concession, or admission with respect  
18 to any liability, damages, negligence, fault, infirmity or wrongdoing, or in any way  
19 referred to for any other reason against or to the prejudice of any of the Defendants, Named  
20 Plaintiffs, other members of the Class, or their respective counsel, in any other civil,  
21 criminal or administrative action or proceeding, other than such proceedings as may be  
22 necessary to effectuate the provisions of the Settlement;

23 d. do not constitute, and shall not be construed against Defendants, the  
24 Named Plaintiffs, or any other Class Member(s), as an admission or concession that the  
25 consideration to be given hereunder represents the amount which could be or would have  
26 been recovered after trial; and

27 e. do not constitute, and shall not be construed as or received in evidence  
28 as an admission, concession, or presumption against the Named Plaintiffs or any other

Class Member(s) that any of their claims are without merit or that damages recoverable in the Action would not have exceeded the Settlement amount.

13. In the event that the Settlement does not become effective in accordance with the terms provided therein, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Settlement and shall be vacated; and in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Settlement.

14. Without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Settlement.

15. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (i) implementation of the Settlement; (ii) any award or distribution of the Class Settlement Fund; (iii) disposition of the Class Settlement Fund; (iv) all Settling Parties for the purpose of construing, enforcing and administering the Settlement and this Judgment; and (v) all other matters related or ancillary to the foregoing.
